Your annual support helps discover, preserve,
and share Norwegian-American
family history and heritage.

MISSION STATEMENT ADOPTED SEPTEMBER 2007

The Norwegian-American Genealogical Center & Naeseth Library is an educational non-profit research center with national and international scope. The Center collects, preserves, shares, and interprets resources for the study of Norwegian heritage.

Through its collections, research, and publications, NAGC & NL strives to maintain and enhance its role as the most comprehensive source of information about the history of Norwegian immigration.

In order to reduce our ecological footprint, and to save postage and printing costs, we have reduced the format of our Annual Report. See this document also online via www.nagcnl.org

GREETING FROM THE BOARD OF DIRECTORS

2015 brought significant milestones for NAGC & NL. We began the year in sadness at the passing of Dan Huebner – our generous donor and friend. Serving as our board chairman from 2007 to 2011, and our chairman emeritus until his death in February 2015, Dan joined with David J. Hardy for the visionary work that made our 2007 status as an independent non-profit possible. By September 2015, NAGC received his important bequest, establishing the Bonnie Westby Huebner and Danny F. Huebner Endowment Fund. At the same time, we lost another major patron, Robert C. Christensen. Bob was a frequent donor, making gifts for the Naeseth Chair Endowment and for our annual fund. With a bequest of his IRA in the summer of 2015, Bob established the Christensen Endowment, which provides for NAGC's mission in perpetuity.

Together with 2014 bequests from Mary Embertson and Trygve Lønnebotn, such legacies provide the foundation for our current endowment campaign. These examples of generous philanthropy are inspiring all our members and friends to include NAGC in estate planning, while

also continuing annual gifts for our general operating needs. We hope to engage all our members across the country -- to join in building this essential foundation through endowment for the future of NAGC.

At the end of 2015, two devoted board members retired after having each served their full terms of service as established by our by-laws. Ann Leon of Madison and Ellen S. Aa. Vollebæk of Oslo rotated off our board, and we shall miss them. Both Ann and Ellen were part of the original board of directors that was established when NAGC became an independent, non-profit organization. They have been, and continue to be, important advocates and supporters of our mission for Norwegian and Norwegian-American family history and heritage.

We offer special thanks to all the donors whose names appear in this 2015 Annual Report. Your annual donations and participation in our endowment campaign are the vital underpinnings for all we do for the Norwegian-American community.

Lowell E. Olberg,
Chairman, Board of Directors

GREETING FROM THE STAFF AND VOLUNTEERS

During 2015, with a generous grant from the Edwin E. and Janet L. Bryant Foundation, we have made wonderful progress in enriching and enhancing the content of our popular website. With the addition of inspirational videos and instructional webinars, NAGC is now able to provide more exciting and useful outreach to all those seeking information about their Norwegian roots.

Visitors to the Naeseth Library and students in our classes were numerous and enthusiastic, and our biennial trip to Salt Lake City, organized by Jerry Paulson with 7 participants, was another great success. Donors of valuable research materials continue to help us build our Naeseth Library; we offer special thanks to the California family of Henry "Jack" Johnson, and to Dennis Souza, executor of Johan Ronningen in Hawaii, who shared with us substantial reference

book donations that were gathered by lifetime collecting.

Once again, we thank the group of Madison-area Friends of NAGC & NL for their efforts to present each year an event that gathers our members and friends, and provides substantial aid for our organization. In 2015, the event speaker was Elaine Helgeson Hasleton, chief genealogical officer at the Family History Library, Salt Lake City, and one of the country's leading experts on Norwegian and Norwegian-American genealogy.

On behalf of the Staff, I thank all the NAGC members and donors who have continued their interest in, and support of, our work. Your help makes it possible for NAGC to be a treasured resource for the Norwegian-American community.

Jeanne L. Wright, Executive Director

THE CAMPAIGN FOR ENDOWMENT

The gifts listed below provide great leadership and inspiration. All donations, whether large or small, together help create a foundation of endowed funds that will support NAGC's work for future generations. Our current endowment campaign is a noble effort to share this vision with our friends and members who believe in our research center and the services we provide to all those seeking information about their Norwegian roots.
