GREETING FROM THE BOARD OF DIRECTORS

2018 marks my eighth year on the NAGC Board, but my first year as chair. Building on the contributions of my predecessor, Lowell Olberg, who is our chair emeritus, I am pleased to report another successful year at the Naeseth Library. I note with thanks that, beginning in 2018, my colleague Ken Larson has taken on the vital role as Board secretary.

In mid-year, we were honored by the addition to the Board of Gary Smithback from Stoughton, spouse of our Board member Ellen Dybdahl Smithback.

During 2018, my colleagues have been active on committees, especially in facility improvement and staff succession planning. The facilities committee, led by Scott Johnson and Gary Smithback, inspired by the support available in our Elevator Fund, has taken important strides in the planning for the installation of an elevator and the associated improvement of the Library's first floor. The committee has been assisted by the volunteer work of NAGC member and patron Rolf Killingstad, who is a structural engineer. After a search, the committee engaged Knute Villand and his firm, Transcend Architects and Engineers, of Sun Prairie, Wisconsin. Messrs. Killingstad and Villand have begun the structural, design, and estimate planning. Consulting with the committee is Board member Paul Berge, who represents the Board for a campaign to fund the improvements. This project will enhance the visitor's experience and improve our research capabilities, while also providing fully accessible restrooms and complete access to the Ostby Education Center on the second floor.

Anticipating retirements, two Board committees are searching for candidates to join the NAGC staff. Board member Robert Fossum is leading a search for the position of senior genealogical researcher, and Board member Paul Berge is leading the search for a full-time executive director. We are grateful for their time-consuming and helpful work.

In October, our Board colleague Anne Veslemøy Lindblom received well-deserved recognition for her service to Norway and the Norwegian-American community. The NAGC Board and Staff were delighted to attend a gathering sponsored by Norway's Ambassador to the U.S., H.E. Kåre Aas, held at the Madison Club, where Honorary Consul Lindblom was bestowed with the Royal Norwegian Order of Merit insignia and diploma as Knight, First Class, as instructed by H.M. Harald V, King of Norway.

In late 2018, two long-time Board members completed full terms as established in the NAGC by-laws. David Johansen, Iowa City, served on our executive committee for eight years, six as secretary and two as treasurer. Mr. Johansen was an exemplary member who, together with his spouse Sue, made great contributions of work, wealth, and wisdom. Professor C. Marvin Lang⁺, Stevens Point, Wisconsin, provided a wonderful academic presence. As our institutional memory, he corresponded with Gerhard Naeseth for over 35 years and served on the advisory committee that helped establish our center. Professor Lang and

his spouse Louise have been members, advocates, and donors for over 30 years. We salute and thank the Johansens and Langs, and look forward to their continuing involvement.

We welcome two newly-elected Board members for 2019. Ann Leon, Madison, having earlier served a full term, rotated off for two years, and has been re-elected. Christine Milligan-Ciha, resident of Stoughton with deep roots in that community, was also elected.

Paul O. Larson
Chair, Board of Directors

GREETING FROM THE STAFF AND VOLUNTEERS

We thank all the members and donors whose names are recorded here, reflecting the many thoughtful and generous gifts in support of our service to the Norwegian-American community. 2018 was particularly blessed by an out-pouring of memorial and tribute donations, most appropriate in support of this research library devoted to family history and genealogy.

This year was enriched by the record success of Jerry Paulson's classes, by many fine annual fund gifts, by a healthy and growing membership base, and by continuing financial stability. The Board/Staff/Volunteer engagement in planning to enhance our facilities and ensure staff continuity has been energetic and rewarding.

In April, our Madison-area Friends sponsored their twelfth annual dinner. In honor of the 175th anniversary of Grieg's birth, we were pleased to host a memorable performance by the Edvard Grieg Chorus. The event was under-written by the generous sponsors recorded in this report.

We are all grateful to the Edwin E. and Janet L. Bryant Foundation for their 2018 grant for technological enhancement for modern genealogical research, making possible upgrades for our computer server, router, wifi box, software, telephone system, and a state-of-the-art microfilm reader/scanner.

In December, we mourned the death of Lorraine Hawkinson (1922-2018), who served as librarian here from 1991 until her retirement in 2007. Our staff and researchers will forever thank Lorraine for her work in cataloguing thousands of books and other research materials in the Naeseth Library.

The Board of Directors and staff of the Norwegian American Genealogical Center & Naeseth Library record with heartfelt gratitude the names of the following contributors during 2018. Every effort has been made to acknowledge the many wonderful gifts received during this year, but we ask you to notify NAGC with any corrections. *Please remember that this list reflects contributions made only in the 2018 calendar year.*
